4.0 Presentation of Memo No. PLM 008, 2023, on the Plateau State Business Enabling Reform Action Plan (BERAP), January-December, 2023

4.1 The Hon. Commissioner, Ministry of Commerce & Industry informed Council that since July 2016, the Presidential Enabling Business Environment Council (PEBEC) instituted reforms to eliminate constraints in the business environment for Micro, Small, and Medium Sized Enterprises (MSMEs) leading to the National Economic Council (NEC) unanimous approval for the replication of PEBEC intervention structure at the subnational level for the purpose of generating 21 million full-time jobs and lifting 35 million people out of poverty by 2025.

4.2 He said that:

- i. the PEBEC Secretariat had in November, 2019 and World Bank Country Office began discussions on incentives to States for the deepening of ease of doing business (EoDB) reforms implementation through the SABER program a Program-for-Results (P for R) on EoDB. in March 2020, the PEBEC Vice Chair, the Honourable Minister of Industry, Trade and Investment made a request to the HMFBNP for World Bank support to promote private sector investment in States. On the strength of this, on October 29, 2021, the Honourable Minister of Finance, Budget and National Planning (HMFBNP) made a request to the World Bank to commence preparation for the SABER Program with government partners;
- ii. SABER is a 3-year (2023 2025) performance-based intervention jointly designed by the World Bank Technical team and the Presidential Enabling Business Environment Council (PEBEC) Secretariat to incentivize and strengthen the implementation of business-enabling reforms across Nigeria with emphasis on the private sector development which remains the major vehicle to create more jobs, increase revenues to the States and improve social and economic outcomes for citizens;
